## SAFETY & COURTESY GUIDELINES

**LET'S HAVE FUN AND BE SAFE** – As a general rule, loose articles are not permitted to be taken on attractions and must be properly stored or left with a non-rider. This includes cameras, video cameras, selfie sticks, cell phones, loose articles of clothing and personal belongings. While there are many "hands-on" activities at the Resort, some attractions, such as Miniland, are for viewing enjoyment only. Children must be accompanied by a guardian 14 years of age or older. Most rides Park-wide require children be supervised by someone over 14 years. Ride and attraction participation requirements are

determined by the ride dynamics, the restraint system used, and recommendations made by the manufacturer. Ride and attraction information and restrictions (such as height, health, size, etc.) are posted at each location. Line jumping is not allowed and may result in removal from premises. Do not sit or play on railings or chains. For your safety absolutely no running. Glass is not allowed in the Resort.

**ACCESSIBILITY** – Rides, attractions and shows at the Resort are accessible to disabled guests, depending on the nature of their disability. Details of health restrictions are posted at each ride or attraction. A separate brochure is available at Guest Services that outlines our facilities and general access in greater detail. Standard and motorized wheelchairs are allowed on property or available for rent in Brick Street (See STROLLER/WHEELCHAIR RENTAL section), no other wheeled (motorized or non-motorized) personal transportation devices are allowed at the Resort.

**SERVICE ANIMALS** – Service animals are welcome in most locations throughout the Park and can accompany a guest via the standard queue up to the loading point. However, due to safety restrictions, service animals are not allowed to accompany a guest on a ride. Service animals must be on a leash at all times. Service animals may not be handled by or left with other guests or Model Citizens.

**RECYCLING** – We are committed to protecting the environment. We ask for your assistance by disposing of your aluminum cans, plastic bottles and Park maps in the recycling containers located throughout the Resort.

**SECURITY & COURTESY WHEN IN THE RESORT** – Video surveillance cameras are in use at various locations around the Resort. In order to help maintain our family atmosphere, we request that there be no offensive language or behavior. No offensive or rude clothing is allowed.

Segways, rollerblades, wheeled shoes and skateboards are prohibited. Park Rangers patrol all areas of the Resort and are more than happy to help or advise. No weapons of any kind are allowed on Resort property. LEGOLAND® Korea Resort is not responsible for any lost or stolen items. In the event of inappropriate conduct you may be asked to leave the premises. This includes, but is not limited to, allowing or assisting a third party to attempt to gain unauthorized or improper access to any

attraction or any unauthorized resale of memberships, tickets, complimentary tickets or coupons. No refund or compensation will be given in such circumstances. Full terms and conditions are posted on LEGOLAND.kr.
